

SENATOR SIMON: I have another amendment. Clarifying.

CLERK: Read second Simon amendment found on page 565 of the Journal.

SENATOR SIMON: Mr. President, I'll be very brief. This is merely a clarifying amendment. What this does is to put it in exactly the same system that is currently with the drivers licenses. The costs shall be incurred by the state for the printing and for the photo processing, just as they are now. Fifty percent of the money goes to the county treasurers office. The other 50 percent goes to the state. The state picks up those two costs. Exactly the same as it is now. I would move for the adoption of the amendment.

SPEAKER LUEDTKE: Question. Senator Frank Lewis. Not on the amendment. Motion then is the adoption of the second Simon amendment. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 27 ayes, 2 nays on the adoption of the Simon amendment, Mr. President.

SPEAKER LUEDTKE: The second Simon amendment is adopted. Are there any further amendments on the desk?

CLERK: I have nothing further on the bill, Mr. President.

SPEAKER LUEDTKE: Is there a motion to advance? Senator Maresh. Chair recognizes Senator Maresh.

SENATOR MARESH: Mr. Speaker, members of the Legislature, I move that LB 574 be advanced to E & R final.

SPEAKER LUEDTKE: Now Senator Frank Lewis, speaking to the advancement.

SENATOR F. LEWIS: Mr. Chairman, I don't want to take up very much time, but I have a couple of questions. I'd like to ask Senator Maresh a question.

SPEAKER LUEDTKE: Will you respond, Senator Maresh.

SENATOR F. LEWIS: Senator Maresh, as I was back in the Rotunda the rumors were kind of floating out there this is for your Uncle in Florida. Is that where the bill came from?

SENATOR MARESH: Does Paul Long sound like a Bohemian name?

SPEAKER LUEDTKE: Did he respond to your question, Senator Lewis?

SENATOR F. LEWIS: As well as he could.

SPEAKER LUEDTKE: Question is the advancement of LB 574 to E & R for engrossment. All those in favor signify by saying aye. Opposed nay. LB 574 is advanced to E & R for engrossment. I just might add, Senator Simon, and for those of you who told me yesterday this could be done in two or three minutes, I think this has sustained the Speaker's position. If I may make a self-serving statement. Okay. We will now then proceed with LB 327.

CLERK: LB 327. The E & R amendments have been adopted. There is now before the body an amendment offered by Senator Murphy, who has been excused.
